

HIKARU 松原光

MATSUBARA

PROFILE

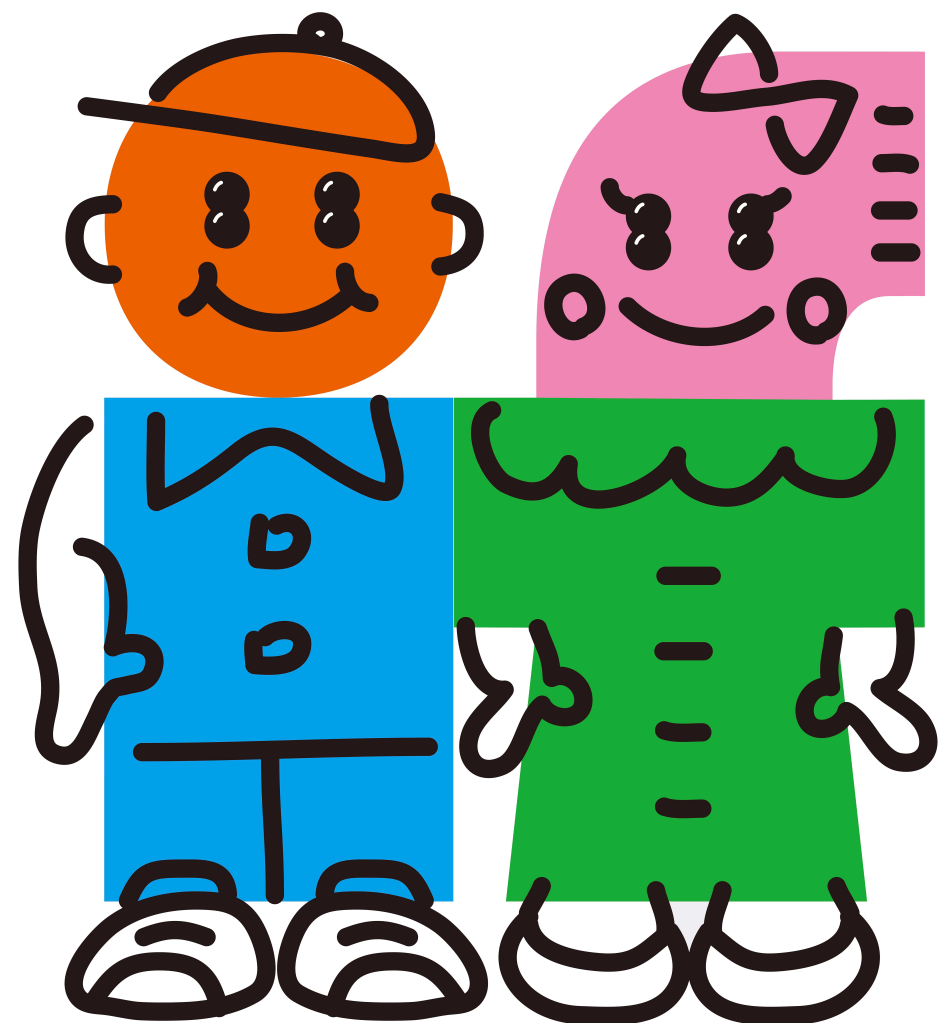

Hikaru Matsubara is an artist from Japan who excels in creating art pieces with a touch of fantasy. He pursues a minimalist, diverse, and humorous approach, reducing the elements in his works to the bare minimum while maximizing the expression of personality and creativity. His works explore and select a universal perception, offering viewers the enjoyment of multiple interpretations.

Hikaru Matsubara's talent has received significant recognition. In 2018, he garnered attention by winning the prestigious Jeon Woochi Award and the Markoto Ikeda Jury Award at the "UNKNOWN ASIA 2018" art exhibition. These honors underscore his unique artistic abilities and impact.
