HOHO

Hoho is a creator who draws the humorous, everyday lives of a lazy, food-loving rabbit and a perfectionist, sensitive dog living together. Starting with webtoons, Hoho continuously experiments with new ways to bring his characters to life.

By crossing boundaries across genres—ranging from merchandise and handmade products to games, video content, and art exhibitions—

Hoho works to expand the ways his characters can connect with audiences.

Hoho是一位創作者，透過幽默、日常的視角，描繪一隻懶惰、愛吃美食的兔子與一隻完美主義、敏感的狗共同生活的日常點滴。從網漫開始，Hoho持續嘗試並探索新的方式，為角色注入生命力。

透過跨越不同的類型界線——從周邊商品與手作產品，到遊戲、影音內容與藝術展覽——Hoho致力於拓展角色與觀眾之間的連結方式。

Hoho

A blustery rabbit looks like a pink mochi, always wears an expression that's both carefree and slightly off-kilter. She talks non-stop, lives her daily life without thinking things through, and faces everything with the most easygoing attitude. She's the one who always turns life's little annoyances into laughter with light, easy humor.

長得像粉粿粿的兔子，總是一副滿不在乎、又有點脫線的表情。她滿嘴亂聊，日常不帶腦子地生活，用最隨性的態度面對一切。她總能用輕鬆幽默化解生活瑣碎的開心果。

A sensitive little dog in milky pale-yellow with a white chef's

Kunani

hates its head. It loves cleanliness, has a gentle, easily moved temperament, and keeps its own small standards for life's little details. The tiny mole under its chin is what makes it truly

charming. It represents that quiet, delicate, sensitive side within us.

一隻敏感的小狗，身體是奶白色偏淡黃，頭上戴著一頂白色的廚師帽。牠喜歡乾淨，性格細膩、容易被觸動，對生活中的每個小細節也會堅持自己的小標準。下巴底下那顆小小的痣，是牠最迷人的地方。牠代表著我們內在那份安靜、細緻、敏感的部分。
